More info about this property

New and contemporary residential area under construction at the golf courses outside Benidorm!

These lovely villas will be located within 5 minutes from big shopping malls and the lovely sandy beaches of Benidorm and Villa Joyosa, where one can find all the necessary facilities and amenities.

The complex, which will consist of 8 detached villas, will be situated in a new and tranquil residential area, surrounded by beautiful, evergreen nature overlooking the Mediterranean Sea and Benidorm, as well as the majestic mountain ranges which surrounds the district.

Outstanding luxury villas of 151 Sqm over two levels. The ground floor will offer an exquisite, combined living-room, dining-room and open-plan kitchen; a cozy bedroom with built-in wardrobe and a nice bathroom. From the living-room and the bedroom one will have direct access to a warm, covered terrace and the beautiful garden. Large glass surfaces make the most of the wonderful and natural Mediterranean light, making the villas very luminous and comfortable. The properties will offer stunning views from virtually every room.

On the first floor there will be 2 spacious and bright bedrooms - both with en-suite bathrooms and direct access to a very large terrace of 55 Sqm. Here one can enjoy impressive views of the Mediterranean Sea and the beautiful surrounding areas. The terrace is partly covered and is therefore perfect both for those who want to enjoy themselves in the sun, but also for those who prefer to enjoy the view from the shadow on hot summer days. The terrace offers several cozy seating areas, a great dining-area and a cozy barbecue area. From the terrace a practical, external staircase leads directly to the garden.

The property is built and equipped with top quality materials and appliances, and the work is carried out by highly qualified professionals. The property offers many modern features, such as double glazed windows, security door, floor-to-ceiling kitchen cabinets, built-in wardrobes in all bedrooms, alarm, TV- and telephone connection, air conditioning with heat pump, BBQ, etc.

The garden will be beautifully landscaped with lush vegetations, and a combination of tiled areas and artificial lawn. Here one can enjoy several pleasant seating areas and an enticing swimming pool. The garden also offers parking space for a car.

Modern and luminous luxury villas with a beautiful garden, great views and a lovely location!
